

Please fill out this form and return it with your payment by July 15th to reserve your spot at this year's Mount Carleton Star Party! Held August 1st-4th in the Armstrong Brook Campground at Mount Carleton Provincial Park we will be surrounded by nature at its best and the night sky as you never seen it before!

A small fee for registration/camping is to help cover the small cost of some supplies, speaker, door prizes and morning coffee and muffins. This is a NO FRILLS event with the aim being Dark Sky Observing! Facilities at the Park include hot showers and flush toilets but there is no electrical power. The nearest store is some 35km away so you must bring what you need for the weekend! (Note 35km is also the distance to the nearest street light!)
